1. Prayer

2. Approval of Minutes: Approval of minutes with the following corrections (typos): under New Business: Fr. Pierre, 8th line: picking; under budget review, 1st line: last, 3) Saint.

Christal clarified that all altar servers received gifts.

3. Pastor's Report

Stained Glass Windows: Fr. Pierre updated us saying the art work was completed with the Archbishop's approval. The 2 sketches are improving for the next window and will be submitted to the SGW Committee for review.

Knights of Columbus officially gave a generous \$5,000 to Fr. Pierre towards the Stained Glass Windows. Only two years ago, the SGW process was started and by the end of this year, the project may be completed if the pace keeps up.

4. Social Mission Review

Dave Roberts was introduced as a guest and briefed us on the history of Social Mission and the reasons behind the change of social mission project from previous commitments to Fr. Augustyn. Given the communication breakdown with Fr. Jude, Dave had a number of suggestions for our Social Mission. Bernie insisted on re-examining Fr. Augustyn's project despite the previous Parish Council's decision to choose a project which the parishioners can identify with. Sharron reminded us of donor fatigue and the importance to keep it simple. Father Pierre agreed and reminded us of the generous response of parishioners to Haiti's urgent needs. Finally, it was agreed that Dave would work with Bernie to identify a local mission project to supplement Saint Vincent de Paul's works and which would be presented to the parish in September at the start of a new year.

5. Christal motioned to adjourn the meeting and Mireille seconded.

Next Meeting: March 10th, 2010.
